Cranked Bazooka Setup

- The Crank lever is foldable. You can unfold it when it is in use.

- Mount the Cranked Bazooka onto the Euro/Elemac mount dolly turnstile. Tighten the knob to secure Bazooka.

- Loosen the Euro mount knob and turn the crank lever to increase the height of Bazooka according to your requirement.

NOTE: The smart crank enables fast and ultra-easy camera positioning without removing the camera. By unlocking the Silver lever/button, you can adjust the bazooka height quietly. Otherwise, the sound of the lever is louder while adjusting the height.

- Press the Silver button and turn the crank lever for easy height adjustment, as shown in the images. The Silver button also acts as a safety lock, ensuring a tight and rigid lock off.

- Integrated Eyebolts allow you to secure the Bazooka with straps (**Not included**) for security of heavier camera setups.

**YOUR PROAIM CRANKED TELESCOPIC BAZOOKA,
ALL DRESSED UP AND READY TO GO!**

(SHOWN WITH OPTIONAL ACCESSORIES)

Warranty: We offer one year warranty for our products from date of purchase. Within this period of time, we will repair it without charge for labor or parts. Warranty doesn't cover transportation costs nor does it cover a product subjected to misuse or accidental damage. Warranty repairs are subjected to inspection and evaluation by us.

Liability: We are not liable for damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

Contact Us: In case of any kind of dissatisfaction, please Contact us immediately and we promise our utmost support and care until you use our product.
